### About Resource Capital Corp.

Resource Capital Corp. is a commercial real estate specialty finance company that qualifies as a real estate investment trust, or REIT, for federal income tax purposes. RCC's investment strategy focuses on commercial real estate-related assets and, to a lesser extent, higher-yielding commercial finance assets. RCC invests in the following asset classes: commercial real estate-related assets such as whole loans, A-notes, B-notes, mezzanine loans and mortgage-related securities and commercial finance assets such as other asset-backed securities, senior secured corporate loans, equipment leases and notes, trust preferred securities, debt tranches of collateralized debt obligations and private equity investments principally issued by financial institutions.

RCC is externally managed by Resource Capital Manager, Inc, an indirect wholly-owned subsidiary of Resource America, Inc. (NASDAQ: REXI), a specialized asset management company that uses industry specific expertise to generate and administer investment opportunities for its own account and for outside investors in the financial fund management, real estate, and commercial finance sectors.
