### **Forward-Looking Statements**

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Such forward-looking statements can generally be identified by our use of forward-looking terminology such as "may," "will," "continue," "expect," "intend," "anticipate," "estimate," "believe," "look forward" or other similar words or

terms. Because such statements include risks, uncertainties and contingencies, actual results may differ materially from the expectations, intentions, beliefs, plans or predictions of the future expressed or implied by such forward-looking statements. Factors that can affect future results are discussed in the documents filed by the Company from time to time with the Securities and Exchange Commission, including, without limitation, factors impacting whether we will be able to maintain our sources of liquidity and whether we will be able to identify sufficient suitable investments to increase our originations. The Company undertakes no obligation to update or revise any forward-looking statement to reflect new or changing information or events after the date hereof or to reflect the occurrence of unanticipated events, except as may be required by law.
