To the Stockholders of EXANTAS CAPITAL CORP.:

Notice is hereby given that the annual meeting of stockholders of EXANTAS CAPITAL CORP., a Maryland corporation, will be held* at 1845 Walnut Street, 17th Floor, Philadelphia, Pennsylvania, on Wednesday, June 10, 2020, at 11:00 a.m. (the “Meeting”), for the following purposes:

1. To elect the eight directors named in the enclosed proxy statement to serve until the next annual meeting of stockholders in 2021.
2. To vote on a non-binding resolution to approve the compensation of our named executive officers (the “Say on Pay” vote).
3. To ratify the appointment of Grant Thornton LLP as the independent registered public accounting firm for Exantas Capital Corp. for the fiscal year ending December 31, 2020.
4. To transact such other business as may properly be brought before the Meeting and any adjournment, postponement or continuation thereof.

We cordially invite all of our stockholders to attend the Meeting, though only stockholders of record at the close of business on April 17, 2020, which we refer to as the record date, will be entitled to vote. A list of stockholders entitled to vote at the Meeting will be available for inspection at the Meeting and for 10 days before the Meeting at our offices at 1845 Walnut Street, 17th Floor, Philadelphia, Pennsylvania.

**Due to concerns relating to the public health impact of the coronavirus outbreak (COVID-19) and related travel, we are taking precautions and planning for the possibility that the Meeting may be held at a different location or solely by means of remote communication (i.e., a virtual-only meeting) and with additional procedures to protect public health and safety. If we determine to hold the Meeting in this manner, we will announce the decision in advance, and will provide details on how to participate at <http://exantas.investorroom.com>. We encourage you to check this website prior to the Meeting if you plan to attend.*

By order of the Board of Directors,
Michele R. Weisbaum, Secretary
April 27, 2020

YOUR VOTE IS IMPORTANT

Instead of mailing a printed copy of our proxy materials to all of our stockholders, we are using the “Notice and Access” method of providing proxy materials to stockholders via the Internet. This process provides stockholders with a convenient and quick way to access the proxy materials and vote, while allowing us to conserve natural resources and reduce the costs of printing and mailing these materials. Accordingly, on or about April 27, 2020, we will begin mailing a Notice of Internet Availability of Proxy Materials (the “Notice”) to all stockholders of record on our books at the close of business on April 17, 2020, which is the record date for the Meeting, and will post our proxy materials on the website referenced in the Notice. As more fully described in the Notice, stockholders may choose to access our proxy materials

on the website referred to in the Notice or may request a printed set of our proxy materials. In addition, the Notice and website provide information regarding how you may request receipt of proxy materials in printed form by mail, or electronically by email, on an ongoing basis.

If you are a stockholder of record, you may vote in one of the following ways:

- **Vote over the Internet**, by going to www.proxyvote.com (have your Notice or proxy card in hand when you access the website);
- **Vote by Telephone**, by calling the toll-free number 1-800-690-6903 (have your Notice or proxy card in hand when you call);
- **Vote by Mail**, if you received a printed copy of the proxy materials, by returning the proxy card (signed and dated) in the envelope provided; or
- **Vote in person at the Meeting***.

If your shares are held in “street name,” meaning that they are registered in the name of a broker or other nominee, you will receive instructions from such broker or nominee that you must follow for your shares to be voted.

Whether or not you plan to attend the Meeting in person*, we encourage you to vote as soon as possible to ensure that your shares are represented at the Meeting.

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS FOR ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON JUNE 10, 2020: The proxy statement and our 2019 annual report are available at <http://exantas.investorroom.com/annual-reports-and-proxys>.

PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON WEDNESDAY, JUNE 10, 2020

ABOUT THE MEETING

Solicitation of Proxies. This proxy statement and the accompanying proxy are furnished to stockholders of Exantas Capital Corp. (the “Company”) in connection with the solicitation by our Board of Directors (the “Board”) of proxies for use at the 2020 annual meeting of stockholders of the Company (the “Meeting”), to be held on June 10, 2020, at 11:00 a.m. at 1845 Walnut Street, 17th Floor, Philadelphia, Pennsylvania*, and at any and all adjournments, postponements or continuations thereof.

Mailing Date. In accordance with rules and regulations adopted by the Securities and Exchange Commission (the “SEC”), instead of mailing a printed copy of our proxy materials to each stockholder of record, we are now furnishing proxy materials to our stockholders on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials, unless specifically requested. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you as to how you may submit your proxy via the Internet, telephone or by mail. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

It is anticipated that the Notice of Internet Availability of Proxy Materials will be mailed to stockholders on or about April 27, 2020.

Who Can Vote. Only holders of record of our common stock at the close of business on April 17, 2020 will be entitled to notice of, and to vote at, the Meeting. Each of the approximately 32,042,061 shares of our common stock outstanding on that date is entitled to one vote on each matter that comes before the Meeting.

How to Vote — Proxy Instructions. If you are a holder of record of Exantas Capital Corp. common stock, you may vote your shares over the Internet, by telephone, by using a traditional proxy card or in person at the Meeting. Refer to the Notice of Internet Availability of Proxy Materials or your proxy or voting instruction card to see which options are available to you and how to use them. Stockholders who hold their shares in “street name” will receive a Notice of Internet Availability of Proxy Materials from the institution that holds their shares and should follow the voting instructions given by that institution.

You may specify whether your shares should be voted for all, some or none of the nominees for director (Proposal 1); you may specify whether your shares should be voted for or against, or whether you abstain from voting on, the approval of our 2019 executive compensation program (Proposal 2); and you may specify whether your shares should be voted for or against, or whether you abstain from voting on, the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 (Proposal 3).

If you do not vote your shares for the election of directors or Say on Pay, your brokerage firm may not vote them for you and your shares will remain unvoted. Therefore, it is important that you vote your shares for all proposals, including Proposals 1 and 2, each of which are viewed as non-routine matters for which brokerage firms may not vote on your behalf without your instructions.

If you sign your proxy card or voting instruction card with no further instructions, your shares will be voted in accordance with the recommendations of the Board, FOR: (i) the election of all directors in Proposal 1; (ii) the approval of the Say on Pay vote in Proposal 2; and (iii) the ratification of our independent registered public accounting firm in Proposal 3.

Broker Non-Votes. A broker “non-vote” occurs when a nominee, such as a bank or broker, holding shares for a beneficial owner, does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Generally banks and brokers may vote their customers’ shares on proposals considered “routine” and may not vote their customers’ shares on proposals that are not considered “routine” if the customers have not furnished voting instructions within a specified period of time prior to the Meeting. **This means that if you do not directly vote your shares and you do not give your broker or nominee specific instructions on how to vote your shares, then your broker or nominee does not have authority to vote your shares with respect to such matters and your shares will not be voted on such matters.** Proposals 1 and 2 described below are not considered “routine” matters. Proposal 3 described below is considered a “routine” matter.

Revocation of Proxies. If you are a holder of record, you may revoke your proxy at any time before it is exercised in any of three ways:

- 1) by submitting written notice of revocation to our Secretary;
- 2) by submitting another proxy by mail that is later dated and properly signed; or
- 3) by voting in person at the Meeting*.

If your shares are held in street name, you must contact your broker or nominee to revoke and vote your proxy.

Quorum. A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if the holders representing a majority of the votes entitled to be cast by the stockholders at the Meeting are present, in person or by proxy. Broker non-votes and abstentions are counted as present at the Meeting for purposes of determining the existence of a quorum, but because they are neither a vote cast in favor of, nor a vote cast opposing, a proposed action, abstentions and broker non-votes typically will not be counted as a vote cast on any matter, except with respect to matters subject to New York Stock Exchange (“NYSE”) approval standards where abstentions are deemed to be votes cast for NYSE compliance purposes.

Required Vote. The number of votes required for someone to be elected as a director is dependent on whether an election is contested or uncontested. Our bylaws define an election as contested if there are more candidates for election than the number of directors to be elected. The election described in Proposal 1 below is an uncontested election. In order to be elected as a director in an uncontested election as described in Proposal 1 below, each director is elected by a majority of votes cast with respect to such director nominee at a meeting of stockholders duly called and at which a quorum is present. A “majority of votes cast” means that the number of shares voted “for” a director’s election exceeds 50% of the total number of votes cast with respect to that director’s election. Votes “cast” include votes “for” and votes “against”, but exclude abstentions and broker non-votes with respect to a director’s election. In the case of any contested election, our bylaws provide that directors shall be elected by a plurality of votes cast at a meeting of stockholders duly called and at which a quorum is present.

In order to approve our Say on Pay vote as described in Proposal 2 and ratify the appointment of Grant Thornton LLP (“Grant Thornton”) as our independent registered public accounting firm for the fiscal year ending December 31, 2020 as described in Proposal 3 below, a majority of the votes cast in person or by proxy at the Meeting is required. For purposes of the vote on Proposal 2, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Proposal 2 is advisory and not binding on the Board or us. For purposes of the vote on Proposal 3, abstentions will not be counted as votes cast and will have no effect on the result of the vote.

Other Business. We do not intend to bring any business before the meeting other than that set forth in the Notice of the Annual Meeting and described in this proxy statement. However, if any other business should properly come before the meeting, the persons named in the proxy card intend to vote in accordance with their best judgment on such business and on any matters dealing with the conduct of the meeting pursuant to the discretionary authority granted in the proxy.

Costs. We pay for the preparation and mailing of the Notice of the Annual Meeting and proxy statement. Our directors, officers and employees may solicit proxies personally or by letter or telephone, but no director, officer or employee will be specially compensated for soliciting such proxies. We have also made arrangements with brokerage firms and other custodians, nominees and fiduciaries for forwarding proxy-soliciting materials to the beneficial owners of our common stock at our expense.

Householding of Proxy Materials. The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold common stock directly. Requests should be addressed to American Stock Transfer & Trust Company, 6201 15th Avenue, Brooklyn, New York 11219, Attention: Shareholder Services Department, or by calling 1-800-937-5449 (+1-718-921-8200 for foreign stockholders). We will promptly furnish a separate copy of the proxy statement upon a written or oral request by a stockholder currently subject to householding.

** Please see the Meeting Notice on the cover page regarding potential changes to the Meeting location and related matters.*

SECURITY OWNERSHIP

The following table sets forth the number and percentage of shares of common stock owned, as of April 17, 2020, by (a) each person who, to our knowledge, is the beneficial owner of more than 5% of the outstanding shares of our common stock, (b) each of our present directors and nominees for director, (c) each of our named executive officers and (d) all of our executive officers and directors as a group. This information is reported in accordance with the beneficial ownership rules of the SEC under which a person is deemed to be the beneficial owner of a security if that person has or shares voting power or investment power with respect to such security or has the right to acquire such ownership within 60 days of April 17, 2020. Shares of common stock issuable pursuant to options, warrants or the conversion of debt securities are deemed to be outstanding for purposes of computing the percentage of the person or group holding such options or warrants but are not deemed to be outstanding for purposes of computing the percentage of any other person.

CORPORATE GOVERNANCE

Our Board of Directors and Its Committees

Our common stock is listed on the NYSE under the symbol "XAN," and we are subject to the NYSE's listing standards. The Board has determined that each of Messrs. Hart, Ickowicz, Kessler, Levin, Neff and Silverman satisfies the requirement for independence set out in Section 303A.02 of the rules of the NYSE and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the Board sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his or her immediate family or affiliates and our Company and our affiliates and did not rely on categorical standards other than those contained in the NYSE rules.

The Board held a total of 16 meetings during fiscal year 2019. Each of the directors, other than Mr. Levin, attended at least 75% of the total number of meetings of the Board and (if applicable) of the committees on which he or she served during fiscal year 2019, and Mr. Levin attended 66% of the board and committee meetings.

The Board has four standing committees: the Audit Committee; the Compensation Committee; the Nominating and Governance Committee; and the Investment Committee. All of the members of each committee, other than the Investment Committee, are "independent" directors as that term is defined in the NYSE's listing standards.

The Board believes that its structure and processes provide each director with an equal stake in the Board's actions and oversight role and make them equally accountable to stockholders.

Executive Sessions. As set forth in our Corporate Governance Guidelines and in accordance with NYSE listing standards, the non-management directors have the opportunity to meet in executive sessions quarterly without management. The director who presides at these meetings is rotated among the chairs of the Audit Committee, Compensation Committee and Nominating and Governance Committee in the following order: Audit Committee chairman; Compensation Committee chairman; and Nominating and Governance Committee chairman. The Board believes that this rotation provides different directors the opportunity to guide the Board's agenda and facilitates collegiality among board members.

Interested parties wishing to communicate directly with the non-management directors may contact the chairman of the Audit Committee, P. Sherrill Neff, at Quaker BioVentures, Cira Centre, 2929 Arch Street, Philadelphia, Pennsylvania 19104.

Board Self-Assessment. Pursuant to our Corporate Governance Guidelines and the charter of the Nominating and Governance Committee, every year our Nominating and Governance Committee oversees the evaluation process to ensure that the full Board conducts an assessment of its performance and effectiveness and solicits feedback for enhancement and improvement. Directors are provided with a questionnaire that they can complete to evaluate the Board and the committees, specifically focusing on areas of potential improvement. The Nominating and Governance Committee reviews the feedback and then discusses it with the full Board. The evaluation process is designed to facilitate ongoing, systematic examination of the Board's effectiveness and accountability, and to identify opportunities for improving its operations and procedures.

Audit Committee. The Audit Committee reviews the scope and effectiveness of audits by the internal and independent accountants, is responsible for the engagement of independent accountants and reviews the adequacy of our internal financial controls. The Audit Committee is currently comprised of Messrs. Neff (Chairman), Hart and Kessler. The Board has determined that each member of the Audit Committee meets the independence standards for Audit Committee members set forth in the NYSE listing standards and in the Exchange Act and that Mr. Neff qualifies as an "audit committee financial expert" as that term is defined in the NYSE and Exchange Act rules and regulations. The committee held four meetings during fiscal year 2019. The Audit Committee charter is available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who requests it.

Compensation Committee. The principal functions of the Compensation Committee are to:

- review the compensation payable to our directors;
- review the compensation and fees payable to our Manager under our management agreement; and
- administer the issuance of any stock or stock options issued to our employees and/or the employees of our Manager or its affiliates who perform services for us.

Under the management agreement with our Manager, our Manager assumes principal responsibility for managing our affairs and providing the personnel that we need to conduct our operations. Our Manager and its affiliates are responsible for paying the compensation of all such personnel and, consequently, such personnel do not receive separate compensation from us. However, we reimburse our Manager for all of the wages, salary and benefits established and paid by our Manager or an affiliate to our Chief Financial Officer and several accounting, finance, tax and investor relations professionals.

The members of the committee are Messrs. Kessler (Chairman), Levin and Neff. The committee held one meeting during fiscal year 2019. The Compensation Committee Charter is available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who requests it.

Nominating and Governance Committee. The principal functions of the Nominating and Governance Committee are to:

- assist us in maintaining an effective and knowledgeable Board, including assisting the Board by identifying individuals qualified to become directors and recommend to the Board the director nominees for the next annual meeting of stockholders and the directors to be appointed to the Audit, Compensation and Nominating and Governance Committees; and
- develop and recommend for the Board's consideration governance guidelines for us.

The committee has not adopted specific, minimum qualifications or specific qualities or skills that must be met by a recommended nominee. The committee seeks to ensure that the members of the Board and each committee satisfies all relevant NYSE listing standard requirements, applicable laws and requirements of our governance documents. The committee seeks to achieve a mixture of skills that are related to our business and seeks candidates who have diverse backgrounds and areas of expertise so that

each member can offer a unique and valuable perspective. The nature of the specific qualifications, qualities or skills that the committee may look for in any particular director nominee is dependent on the qualifications, experience and skills of the rest of the directors at the time of any vacancy on the Board.

The Nominating and Governance Committee identifies director nominees by first evaluating the current members of the Board willing to continue in service. Current members with skills and experience that are relevant to our business and are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board does not wish to continue in service, if the Nominating and Governance Committee or Board decides not to re-nominate a member for re-election or if we decide to expand the Board, then the committee identifies the desired skills and experience of a new nominee consistent with the Nominating and Governance Committee's criteria for Board service. Current members of the Board and management are polled for their recommendations. Research may also be performed or third parties retained to identify qualified individuals. To date, we have not engaged third parties to identify or evaluate potential nominees; however, we may in the future choose to do so.

The members of the Nominating and Governance Committee are Messrs. Levin (Chairman), Ickowicz and Hart. The committee held one meeting during 2019. Our Corporate Governance Guidelines and Nominating and Governance Committee charter are both available on our website at www.exantas.com, and we will provide a printed copy to any stockholder who so requests it.

Stockholder Recommendations for Director Nominees. The Nominating and Governance Committee will consider candidates for nomination as a director recommended by stockholders, directors, officers, third-party search firms and other sources. In evaluating candidates, the committee considers the attributes of the candidate (including skills, experience, international versus domestic background, diversity and legal and regulatory requirements) and the mixture of skills and experience of the members of the Board, and will review all candidates in the same manner, regardless of the source of the recommendation. The Nominating and Governance Committee does not have a formal policy regarding the consideration of diversity in identifying candidates beyond being committed to ensuring that no person would be excluded from consideration for service as a director as a result of their gender, race, religion, creed, sexual orientation or disability. The committee will consider individuals recommended by stockholders for nomination as a director in accordance with the procedures described under "Stockholder Proposals for the 2021 Annual Meeting." Recommendations should include the following:

- such information as may be reasonably necessary to determine whether the director candidate is independent from the stockholder that has recommended the candidate;
- such information as may be reasonably necessary to determine whether the director candidate is qualified to serve on the Board; and
- such information as may be reasonably necessary to determine whether the director candidate meets the independence standards of the NYSE.

The Board may also request such additional information concerning the proposed nominee as may be reasonably required to determine whether each person recommended by a stockholder meets the criteria discussed above and to enable us to make appropriate disclosures to stockholders.

Investment Committee. The Investment Committee reviews and approves loan originations and real estate, preferred equity and other investments that are between \$35 million and \$50 million. Investments under such threshold are approved only by our Manager's investment committee, and investments over such threshold are approved by our full Board. The members of the committee are Messrs. Cohen (Chairman), Ickowicz, Kessler and Silverman. The committee held two meetings during fiscal year 2019.

Stockholder Ability to Amend Bylaws. In March 2020, our Board approved an amendment and restatement of our bylaws to allow our stockholders to amend the bylaws by the affirmative vote of a majority of the votes entitled to be cast on the matter by stockholders entitled to vote. Prior to this amendment, as permitted under Maryland law, our stockholders did not have the right to amend our bylaws. The Board's decision to adopt this change was the result of extensive consideration and took into account many factors, including our commitment to strong corporate governance practices.

Communication with the Board. The Board has established a process for stockholders to send communications to it. Stockholders may communicate with the Board, or any director or committee chairperson, by writing to such parties in care of Michele R. Weisbaum, Senior Vice President, Chief Legal Officer and Secretary, Exantas Capital Corp., 1845 Walnut Street, 17th Floor, Philadelphia, PA 19103. Communications addressed to the Board generally will be forwarded either to the appropriate committee chairperson, all directors or the individual directors to whom the communication is addressed. Communications may be submitted confidentially and anonymously. Under certain circumstances, we may be required by law to disclose the information or identity of the person submitting the communication. No action was taken by the Board as a result of any communication received during fiscal year 2019 from a stockholder. Some concerns communicated to the Board also may be referred to our internal auditor or our Chief Legal Officer. The Chairman of the Board or the Chairman of the Audit Committee may direct that concerns be presented to the Audit Committee, or to the full Board, or that they otherwise receive special treatment, including retention of external counsel or other advisors.

Attendance at Annual Meetings. We do not have a formal policy regarding Board member attendance at our annual meeting of stockholders. All of our Board members attended last year's annual meeting of stockholders, and we anticipate that all of them will attend the Meeting.

Director Orientation and Continuing Education. We believe that director orientation and continuing education are important to the Board's ability to fulfill its responsibilities and enhance the overall effectiveness and performance of the Board. New directors participate in an onboarding process, which includes meetings with senior management, presentations on the Company's strategic plans, financial statements and key issues, policies and practices. The Company requires directors to participate in continuing education programs on corporate governance, and in 2020 the Company joined the Board Leadership Program, which gives directors access to board education programs, conferences and other resources.

Stockholder Engagement. We make a conscious effort to engage with our stockholders by regularly attending investor conferences and holding one-on-one meetings and calls with stockholders and potential investors to gain a better understanding of the issues that are important to them. These meetings include existing stockholders who own our common or convertible securities as well as prospective investors and research analysts. Our management team discusses investment strategies, competitive positioning of the company and our financial performance and historical financial results. Our continuous dialogue helps ensure that our interests remain well aligned with those of our stockholders.

Board Leadership Structure and Role in Risk Oversight

Our Corporate Governance Guidelines provide for the separation of the offices of Chairman and Chief Executive Officer. Currently, Andrew L. Farkas serves as Chairman of the Board and Robert C. Lieber serves as Chief Executive Officer. We believe separating the Chairman of the Board and Chief Executive Officer positions provides the most effective leadership structure. It allows the Board to benefit from having two strong voices bringing separate views and perspectives to meetings and gives us the benefit of the significant expertise that both Messrs. Farkas and Lieber have in finance and real estate.

Risk management, led by our officers and the Board, is a company-wide function that is an integrated effort to identify, assess and manage risks that may affect our ability to execute on our business strategy and fulfill our business objectives. The Board's role is to oversee this function. The Audit

Committee enhances the Board's oversight of risk management. The Audit Committee's role is also one of oversight, recognizing that management is responsible for executing our risk management policies. The Audit Committee's responsibilities include discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. The Audit Committee also discusses guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also oversees our internal audit function and is responsible for monitoring the integrity, and ensuring the transparency, of our financial reporting processes and systems of internal controls regarding finance, accounting and regulatory compliance. Additionally, the Audit Committee monitors and evaluates potential credit risks with respect to our investments to address changing conditions as well as oversees the internal controls relating to credit risk management and disclosure. The Audit Committee incorporates its risk oversight function into its regular reports to the Board.

With respect to cybersecurity risk oversight, the Audit Committee receives periodic reports and/or updates from management on the primary cybersecurity risks that we and our Manager face and the measures we are taking to mitigate such risks. Additionally, the Audit Committee receives updates from management regarding changes to our cybersecurity risk profile or certain newly identified risks. The Audit Committee updates the Board on cybersecurity matters.

The Compensation Committee and the Nominating and Governance Committee assist the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with Board organization, membership and structure, succession planning and corporate governance. The Board reviewed with the Compensation Committee its compensation policies and practices applicable to our Manager that could affect our assessment of risk and risk management. Following such review, the Board determined that our compensation policies and practices, pursuant to which we pay no cash compensation to our officers and Resource America's and C-III's employees (with the exception of reimbursements for certain officers, which we discuss in the Compensation Discussion and Analysis) because they are compensated by Resource America or C-III, do not create risks that are reasonably likely to have a material adverse effect on us. The Board also considered that while we may grant shares of our stock to our officers, or Resource America's or C-III's employees, such grants align their interests with our interests and do not create risks that are reasonably likely to have a material adverse effect on us.

The Investment Committee exercises the authority of the Board to supervise our Manager's compliance with the investment guidelines approved by the Board and to approve any proposed investments within the limits set forth in the investment guidelines described above.

Corporate Responsibility and Sustainability

- Anti-Bribery and Corruption Policies – We have policies on restricted payments that require full compliance with all applicable anticorruption laws. We have a whistleblower hotline for confidential reporting of any suspected violations.

Additionally, through our commercial real estate lending business, we focus on and evaluate all environmental risks associated with the properties that secure our loans. For example:

- Environmental Site Assessments – We utilize a Phase I environmental site assessment to identify environmental conditions at the underlying properties that may have a material impact on the property being assessed.
- Sustainability – We assess a property’s sustainability and marketability by reviewing characteristics including, but not limited to, tenant amenities such as bike storage and repair facilities and neighborhood walkability ratings.
- Site Visits – We conduct periodic property site visits of such properties, which include physical inspection of the assets, including environmental considerations.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics applicable to all directors, officers and employees. We will provide to any person without charge, upon request, a copy of our code of business conduct and ethics. 2019 NON-EMPLOYEE DIRECTOR COMPENSATION

Our 2019 compensation package for non-employee directors was comprised of cash (annual retainer) and restricted stock awards. The annual pay package is designed to attract and retain highly-qualified, independent professionals to represent our stockholders. Our compensation package is also designed to create alignment between our directors and our stockholders through the use of equity-based grants. Each independent director is entitled to compensation consisting of an annual cash retainer of \$65,000 and an annual restricted stock award valued at approximately \$35,000 on the date of grant, which is the anniversary of the date on which each independent director became a director. In addition, the members of the Investment Committee (Messrs. Beach, Ickowicz, Kessler and Silverman) each received an additional \$20,000 in cash, the members of the Audit Committee (Messrs. Neff, Beach, Hart and Kessler (prorated for his service) and Ms. Wiggins (prorated for her service)) each received an additional \$10,000 in cash and the members of the Compensation Committee (Messrs. Beach, Levin and Neff) each received an additional \$5,000 in cash. In addition, the chairmen of the Audit Committee and the Compensation Committee (Messrs. Neff and Beach, respectively) each received an additional restricted stock award valued at approximately \$5,000. During 2019, Messrs. Ickowicz and Neff and Ms. Wiggins served on a special committee of the Board, formed to evaluate the acquisition of a loan portfolio from C-III Commercial Mortgage LLC. Members of the special committee each received \$20,000 in cash for their service, and the chairman (Mr. Ickowicz) also received a restricted stock award valued at \$10,000 for his service.

The following table sets forth director compensation for each of our non-employee directors for 2019:

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis describes our executive compensation program for 2019. As such, this Compensation Discussion and Analysis does not address the impact of the coronavirus (COVID-19) on our business and financial results or our executive compensation for 2020. The Compensation Committee will consider such impacts when reviewing our 2020 executive compensation program and those compensation program decisions will be described in our proxy statement for next year’s annual meeting. We use our executive compensation program to attract, motivate and retain our named executive officers (“NEOs”) and other executives. In particular, we will explain how the Compensation Committee of the Board made 2019 compensation decisions for our 2019 NEOs:

- Robert C. Lieber, our Chief Executive Officer;
- Matthew J. Stern, our President;
- David J. Bryant, our Senior Vice President, Chief Financial Officer and Treasurer;
- Thomas C. Elliott, our Executive Vice President - Finance and Operations; and

- Eldron C. Blackwell, our Vice President and Chief Accounting Officer.

Objectives of Our Compensation Program

We are externally managed by our Manager pursuant to a management agreement among our Manager, Resource America and us. We do not have any employees. All of our NEOs are employees of C-III or Resource America. We have not paid, and do not intend to pay, any cash compensation to our NEOs. We do reimburse Resource America for the wages, salary and benefits paid to our Chief Financial Officer and Chief Accounting Officer and a portion of Mr. Elliott's wages, salary and benefits. With the exception of our Chief Financial Officer who is fully dedicated to our operations, the management agreement does not require our NEOs to dedicate a specified amount of time to fulfilling the Manager's obligations to us under the management agreement and does not require a specific amount or percentage of the fees paid to the Manager to be allocated to the NEOs. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock to our NEOs pursuant to our Second Amended and Restated Omnibus Equity Compensation Plan. These awards are designed to align the interests of our NEOs with those of our stockholders, by correlating their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends. These equity awards are subject to time-based vesting requirements designed to promote the retention of management, incentivize long term objectives and achieve strong performance for us. These awards further provide us flexibility in our ability to enable Resource America and C-III to attract, motivate and retain talented individuals for our Manager.

Setting Executive Compensation

Our NEOs are employees of Resource America or C-III. The base salaries and cash incentive compensation paid to our Chief Financial Officer and Chief Accounting Officer are recommended by our Chief Executive Officer to the Compensation Committee for approval. The determination of the base salary and cash incentive compensation paid to our other NEOs is made solely by Resource America and/or C-III, as applicable. The analyses and determinations for our NEOs' compensation are not based upon any particular compensation matrix or formula, but are instead based upon qualitative evaluations of their contributions to the Company. Resource America determines the base salary and bonus for Mr. Elliott and has allocated a portion of his wages, salary and benefits to us for reimbursement to Resource America beginning on July 1, 2017. Approximately 43% of the cash and stock award compensation paid to Messrs. Bryant, Elliott and Blackwell was for fixed pay (i.e., base salary) and approximately 57% was for incentive pay (i.e., cash bonus and stock award). We pay fees to our Manager pursuant to the management agreement, and although we do not control how such fees are allocated by Resource America or C-III, we believe that an unspecified portion of the base salary and cash incentive compensation paid to our NEOs is derived from fees paid by us. As discussed above, the management agreement does not require our NEOs to dedicate a specific amount of time to fulfilling the Manager's obligations to us under the management agreement and does not require a specific amount or percentage of fees paid to the Manager to be allocated to the NEOs. The Manager does not compensate the employees of Resource America or C-III specifically for such services because these individuals also provide management and other services to other entities that are sponsored, managed or advised by affiliates of the Manager. As a result, the Manager is unable to segregate and identify the portion of the compensation paid or awarded to the NEOs by the Manager that relates solely to their services to us. As a result, we disclose the cash amounts paid by Resource America to our Chief Financial Officer and Chief Accounting Officer (for which we reimburse Resource America), our only two NEOs who devote their full business time to our affairs, in the Summary Compensation Table below.

Our Chief Executive Officer's incentive stock compensation is determined by the Compensation Committee. All other grants of Exantas Capital Corp.'s incentive stock compensation are recommended by our Chief Executive Officer for approval by our Compensation Committee. Our Chief Executive Officer provides the Compensation Committee with key elements of our NEOs' performance during the year and their contribution to the Company to assist the committee in its determinations and approvals. Our Chief

Executive Officer, at the Compensation Committee's request, might attend committee meetings to provide insight into our NEOs' performance.

Our Compensation Committee operates under a written charter adopted by our Board, a copy of which is available on our website at www.exantas.com. Our Compensation Committee determines compensation amounts after the end of our fiscal year and makes equity awards shortly thereafter. Our Compensation Committee has the discretion to issue equity awards at other times during our fiscal year.

Elements of Our Compensation Program

As described above, our NEOs do not receive cash compensation from us, although beginning in October 2009, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Financial Officer and in March 2014, we agreed to reimburse Resource America for the wages, salary and benefits of our Chief Accounting Officer. In addition, beginning in July 2017, we agreed to reimburse Resource America for a portion of the wages, salary and benefits of Mr. Elliott. Our Compensation Committee has, from time to time, granted equity awards in the form of restricted stock to our NEOs pursuant to our Second Amended and Restated Omnibus Equity Compensation Plan.

Grants of restricted stock reward stockholder value creation slightly differently than stock options. Restricted stock is impacted by all stock price changes, both increases and decreases. Restricted stock generally vests 33.33% per year and includes a right to receive dividends on unvested shares.

How We Determined 2019 Compensation

As discussed above, our Compensation Committee believes that it is important for our NEOs, who are employees of Resource America or C-III, to remain significantly aligned with the interests of our stockholders. Accordingly, we have traditionally made grants of restricted stock to such NEOs.

The restricted stock grants vest 33.33% per year over three years and have full voting and dividend rights. Our Compensation Committee analyzed the management agreement and reviewed how our operating costs compared to other REITs' operating costs. Our Compensation Committee also considered our growth, complexity and performance. The Committee also considered the amount of our restricted stock that had been granted in recent years. In particular, the Compensation Committee desired to continue to build alignment between key employees of our Manager and our stockholders, provide meaningful incentive for the retention of such key employees and ensure that total compensation paid to our Manager and its employees is consistent with competitors in the commercial real estate lending industry. In January 2020, our Compensation Committee approved the awards discussed below for 2019, based upon our performance and the individual performance of our NEOs. In particular, this year our Compensation Committee focused on the efforts to increase commercial real estate ("CRE") debt investments, strategically acquire CMBS investments, reduce our cost of capital, dispose of certain legacy CRE debt investments and non-core assets and reduce our other expenses. Our Compensation Committee also considered our ability to successfully originate, manage and finance quality investment products. Although the Compensation Committee considered each of these factors in making its compensation decisions, it did not attempt to rank or assign relative weight to any of the factors but rather applied its judgment in considering them in their entirety.

Upon our CEO's recommendation, other than for himself, our Compensation Committee in January 2020 approved the following awards for fiscal year 2019:

- Mr. Lieber was awarded 10,557 shares of restricted stock for fiscal year 2019, which had the same aggregate dollar value as the 12,278 shares of restricted stock awarded for fiscal year 2018.

- Mr. Stern was awarded 12,668 shares of restricted stock for fiscal year 2019, a \$25,000 increase in the aggregate dollar value over the 12,278 shares of restricted stock awarded for fiscal year 2018.
- Mr. Elliott was awarded 8,445 shares of restricted stock for fiscal year 2019, which had the same aggregate dollar value as the 9,823 shares of restricted stock awarded for fiscal year 2018.
- Mr. Bryant was awarded 8,445 shares of restricted stock for fiscal year 2019, which had the same aggregate dollar value as the 9,823 shares of restricted stock awarded for fiscal year 2018.
- Mr. Blackwell was awarded 2,956 shares of restricted stock for fiscal year 2019, a \$5,000 increase in the aggregate dollar value over the value of the 2,946 shares of restricted stock awarded for fiscal year 2018.

Compensation and Risks

We believe that the risks material to our business are those that derive from broad-based economic trends and specific trends relating to particular loans, assets securing such loans and properties we hold. We do not believe that these risks are materially affected by, or materially arise from our compensation policies, as our compensation is in the form of equity grants that typically vest over time. We believe this encourages our executives to focus on sustained share price appreciation, rather than short-term results.

Compensation Committee Report

We have reviewed and discussed with management the Compensation Discussion and Analysis prepared by management. Based on this review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis prepared by management be included in this Proxy Statement and incorporated by reference into our 2019 Annual Report.

Pursuant to our stock award agreements, in the event that any NEO's service is terminated (except in the case of death or disability), all unvested stock awards will immediately be forfeited by the NEO unless otherwise approved by the Compensation Committee at the time of termination. Additionally, if any NEO commits any act of malfeasance or wrongdoing affecting us or our affiliates, breaches any covenant not to compete or an employment contract with us or an affiliate or engages in conduct that would warrant its discharge for cause, all unvested stock awards will immediately be forfeited.

Anti-Hedging and Pledging Policies

We have a policy prohibiting directors, officers and employees from speculative trading in our securities, including hedging transactions, short selling, trading in put options, call options or other derivative securities or holding our securities in margin accounts. Our policy also prohibits directors, officers and employees from pledging our securities as collateral for a loan, except in certain limited circumstances and subject to prior approval by our chief legal counsel. To our knowledge, all such individuals are in compliance with these policies.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Relationships and Related Party Transactions

Relationship with C-III, Resource America and Certain of their Subsidiaries. Our Manager is a wholly-owned subsidiary of Resource America, which is a wholly-owned subsidiary of C-III, a leading commercial real estate investment management and services company engaged in a broad range of activities, including fund management, CDO management, principal investment, zoning due diligence and investment sales. C-III is indirectly controlled and partially owned by Island Capital, of which Mr. Farkas, our Chairman, is the managing member. Mr. Farkas is also chairman and chief executive officer of C-III. In addition, Robert C. Lieber, our Chief Executive Officer, and Matthew J. Stern, our President, are both

executive managing directors of both C-III and Island Capital. Jeffrey P. Cohen, who is a member of our Board, is president of both C-III and Island Capital. Those officers and our other executive officers are also officers of our Manager, Resource America, C-III and/or affiliates of those companies. At December 31, 2019, C-III indirectly beneficially owned 780,025, or 2.4%, of our outstanding common shares.

Management Agreement

We have a management agreement with our Manager pursuant to which our Manager provides the day-to-day management of our operations. The agreement was amended and restated on December 14, 2017 and further amended on February 20, 2020. The management agreement requires our Manager to manage our business affairs in conformity with the policies and investment guidelines established by our Board. Our Manager provides its services under the supervision and direction of our Board. Our Manager is primarily responsible for the selection, purchase and sale of our portfolio investments, our financing activities and providing us with investment advisory services. Our Manager and its affiliates also provide us with a Chief Financial Officer and a sufficient number of additional accounting, finance, tax and investor relations professionals. Our Manager receives fees and is reimbursed for its expenses as follows:

- A monthly base management fee equal to 1/12th of the amount of our equity multiplied by 1.50%. Under the management agreement, “equity” is equal to the net proceeds from issuances of shares of capital stock (or the value of common shares upon the conversion of convertible securities), less offering-related costs, plus or minus our retained earnings (excluding non-cash equity compensation incurred in current or prior periods) less all amounts we have paid for common stock and preferred stock repurchases. The calculation is adjusted for one-time events due to changes in GAAP as well as other non-cash charges, upon approval of our independent directors.
- Incentive compensation, calculated quarterly as follows: (A) 20% of the amount by which our Core Earnings (as defined in the management agreement) for a quarter exceeds the product of (i) the weighted average of (x) the per share book value of our common shares at September 30, 2017 (subject to adjustments for certain items of income or loss from operations or gain or loss on resolutions of the Plan assets from October 1, 2017 through December 31, 2018) and (y) the per share price (including the conversion price, if applicable) paid for our common shares in each offering (or issuance upon the conversion of convertible securities) by us subsequent to September 30, 2017, multiplied by (ii) the greater of (x) 1.75% and (y) 0.4375% plus one-fourth of the Ten Year Treasury Rate for such quarter; multiplied by (B) the weighted average number of common shares outstanding during such quarter; subject to adjustment (a) to exclude events pursuant to changes in GAAP or the application of GAAP as well as non-recurring or unusual transactions or events, after discussion between our Manager and the independent directors and approval by a majority of the independent directors in the case of non-recurring or unusual transactions or events, and (b) to deduct an amount equal to any fees paid directly by a taxable REIT subsidiary, or TRS, (or any subsidiary thereof) to employees, agents and/or affiliates of the Manager with respect to profits of such TRS (or subsidiary thereof) generated from the services of such employees, agents and/or affiliates, the fee structure of which shall have been approved by a majority of the independent directors and which fees may not exceed 20% of the net income (before such fees) of such TRS (or subsidiary thereof).
- Per loan underwriting and review fees in connection with valuations of and potential investments in certain subordinate commercial mortgage pass-through certificates, in amounts approved by a majority of the independent directors.

- Reimbursement of expenses for personnel of our Manager or its affiliates for their services in connection with the making of fixed-rate commercial loans by us, in an amount equal to one percent of the principal amount of each such loan made.
- Reimbursement of out-of-pocket expenses and certain other costs incurred by our Manager and its affiliates that relate directly to us and our operations.
- Reimbursement of our Manager's (and its affiliates') expenses for (A) the wages, salaries and benefits of our Chief Financial Officer and (B) a portion of the wages, salaries and benefits of our accounting, finance, tax and investor relations professionals, in proportion to such personnel's percentage of time allocable to our operations.

Incentive compensation is calculated and payable quarterly to our Manager to the extent it is earned. Up to 75% of the incentive compensation is payable in cash and at least 25% is payable in our common stock. Our Manager may elect to receive more than 25% of its incentive compensation in common stock.

The management agreement's current contract term ends on March 31, 2021, and the agreement provides for automatic one year renewals on such date and on each March 31 thereafter until terminated in accordance with its terms.

For the year ended December 31, 2019, our Manager earned base management fees of approximately \$8.3 million, of which \$701,000 was payable as of December 31, 2019. At December 31, 2019, we retained equity in five securitization entities that were structured for us by our Manager, although three of the securitization entities have been substantially liquidated. Under the management agreement, our Manager was not separately compensated by us for executing these transactions and is not separately compensated for managing the securitization entities and their assets.

Relationship with Resource Real Estate, LLC. Resource Real Estate, LLC, an indirect wholly-owned subsidiary of Resource America and C-III, originates, finances, services and manages our commercial real estate loan portfolio. We reimburse Resource Real Estate for loan origination costs associated with all loans originated. At December 31, 2019, we had a receivable from Resource Real Estate of \$101,000 for a loan deposit.

Resource Real Estate served as special servicer for the following liquidated real estate debt securitization transactions, which provided financing for our commercial real estate loan portfolio: (i) Resource Capital Corp. 2014-CRE2, Ltd., a \$353.9 million securitization that closed in July 2014 and liquidated in August 2017; (ii) Resource Capital Corp. 2015-CRE3, Ltd., a \$346.2 million securitization that closed in February 2015 and liquidated in August 2018; (iii) Resource Capital Corp. 2015-CRE4, Ltd., a \$312.9 million securitization that closed in August 2015 and liquidated in July 2018; and (iv) Resource Capital Corp. 2017-CRE5, Ltd., a \$376.7 million securitization that closed in July 2017 and liquidated in July 2019. Resource Real Estate also serves as special servicer for Exantas Capital Corp. 2020-RSO8, Ltd., a \$522.6 million securitization that closed in March 2020. With respect to each specialty serviced mortgage loan, Resource Real Estate receives special servicing fees, payable monthly on an asset-by-asset basis. Resource Real Estate did not earn any special servicing fees during the year ended December 31, 2019.

Relationship with C-III Commercial Mortgage LLC and C-III Asset Management. In May 2019, RCC Real Estate, Inc. entered into a Mortgage Loan Sale and Purchase Agreement (the "May 2019 Loan

Acquisition Agreement”) with C-III Commercial Mortgage LLC (“C-III Commercial Mortgage”), a wholly-owned subsidiary of C-III, that provided for the acquisition by RCC Real Estate of certain commercial real estate loans on a servicing-released basis at par, plus accrued and unpaid interest on each such loan for an aggregate purchase price of \$197.6 million. In accordance with the terms of the May 2019 Loan Acquisition Agreement, C-III Commercial Mortgage retains the right to receive any borrower-paid exit fee in excess of 0.50% of the outstanding principal balance. During the year ended December 31, 2019, C-III Commercial Mortgage earned approximately \$108,000 in exit fees and we did not have any outstanding payables to it at December 31, 2019.

C-III Asset Management LLC (“C3AM”), a former wholly-owned subsidiary of C-III, served as the primary servicer for the commercial real estate loans acquired in the May 2019 Loan Acquisition Agreement and for the commercial real estate loans collateralizing RCC 2017-CRE5, Exantas Capital Corp. 2018-RSO6, Ltd. (“XAN 2018-RSO6”), a \$514.2 million securitization that closed in June 2018, and Exantas Capital Corp. 2019-RSO7, Ltd. (“XAN 2019-RSO7”), a \$687.2 million securitization that closed in April 2019. C3AM received servicing fees, payable monthly on an asset-by-asset basis. C3AM also served as special servicer for XAN 2018-RSO6, XAN 2019-RSO7 and Wells Fargo Commercial Mortgage Trust 2017-C40, of which we purchased 95% of the Class E, F, G, H and J (B-piece) certificates of this trust, under which it received a base special servicing fee. During the year ended December 31, 2019, C3AM earned approximately \$565,000 and we had a payable to C3AM of approximately \$37,000 at December 31, 2019. On December 31, 2019, C3AM was sold by C-III to an unaffiliated third party. As such, C3AM is no longer a related party under common control effective January 1, 2020.

Policies and Procedures Regarding Related Party Transactions

We have established written policies regarding investing in investment opportunities in which our Manager, Resource America or C-III has an interest and regarding investing in any investment fund or CLO or CDO vehicles structured, co-structured or managed by our Manager, Resource America or C-III.

- We will not be permitted to invest in any investment fund, CLO or CDO structured, co-structured or managed by our Manager, Resource America or C-III other than those structured, co-structured or managed primarily on our behalf unless approved by a majority of our independent directors. Our Manager, Resource America and C-III will not receive base asset management fees allocable to us from any such investment vehicle to the extent we invest in it.
- Unless approved by a majority of our independent directors, we will not be permitted to enter into any transaction with our Manager, Resource America or C-III or any investment entity or fund managed by them, including but not limited to purchasing any investment from, or selling any investment to, them, except that we may purchase an investment originated by our Manager, Resource America or C-III if it was originated either (i) within 60 days before such investment is acquired by us or (ii) with the specific intent to sell it to us.
- Investments that may be appropriate for us, on the one hand, and one or more of our Manager, Resource America, C-III or investment funds or entities managed or advised by any of them, on the other hand, are generally required to be allocated between us and such other entities in accordance with C-III’s allocation policies and procedures in effect from time to time.

Except as described above, we have not adopted a policy that expressly prohibits transactions between us and any of our directors, officers, employees, security-holders or affiliates. However, our code of business conduct and ethics prohibits any transaction that involves an actual or potential conflict, except for transactions permitted under guidelines that may be adopted by our Board. No such guidelines have been adopted as of the date of this proxy statement. In addition, our Board may approve a waiver of the

code of business conduct and ethics for a specific transaction, which must be reported to our stockholders to the extent required by applicable law or NYSE rules.

PROPOSAL 2: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Section 14A of the Exchange Act requires our Board to provide our stockholders with the opportunity to vote, on a non-binding, advisory basis, on the compensation of our NEOs as set forth in this proxy statement in accordance with the compensation disclosure rules of the SEC. This proposal is also referred to as the “Say on Pay” vote.

As discussed in the Compensation Discussion and Analysis section of this proxy statement, although we do not pay cash compensation to any of our NEOs, we do reimburse Resource America for the compensation and benefits paid to our Chief Financial Officer, Chief Accounting Officer and a portion of the compensation and benefits paid to our Executive Vice President - Finance and Operations. Further, we make awards under our equity compensation plans to align the interests of our NEOs with those of our stockholders, by connecting their compensation to the performance of our stock and by allowing them to share in the creation of value for our stockholders through stock price appreciation and dividends.

This vote is non-binding. However, we highly value the opinions of our stockholders. Accordingly, the Board and the Compensation Committee will take the results of this advisory vote into consideration with respect to future executive compensation arrangements for our NEOs.

For the reasons set forth above, the Board recommends that you vote “FOR” the following resolution:

“RESOLVED, that the compensation paid to the named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion of this proxy statement, is hereby approved.”

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE ADVISORY RESOLUTION SET FORTH IN THIS PROPOSAL 2, APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We are asking our stockholders to ratify the appointment of Grant Thornton LLP (“Grant Thornton”) as our independent registered public accounting firm to audit our financial statements for the fiscal year ending December 31, 2020. Although approval is not required by our Bylaws or otherwise, the Board is submitting the appointment of Grant Thornton to our stockholders for ratification as a matter of good corporate practice. If the selection of Grant Thornton is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if Grant Thornton is approved, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

We expect that representatives of Grant Thornton will be present at the annual meeting. These representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Audit Committee Pre-Approval Policies and Procedures. The Audit Committee, on at least an annual basis, reviews audit and non-audit services performed by Grant Thornton as well as the fees charged by Grant Thornton for such services. Our policy is that all audit and non-audit services must be pre-approved by the Audit Committee. All of such services were pre-approved during the year ended December 31, 2019.

THE BOARD OF DIRECTORS HEREBY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF GRANT THORNTON LLP TO AUDIT OUR FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2020.
